| |1 of 1 people found the following review helpful.| Short but to the point | By Lisa |I already have my keeper, but read the book on a personal recommendation. It is a short book and pretty fast read, which is a good thing. As busy as my life is, it is hard to sit down and find time for a long book. However, the author was very to the point - not a lot of fluff. Some of the methods she talks about are things that I used to find my
Do you keep ending up in dead-end relationships, no matter how careful you are? Do you want to move past the losers and go straight to your ideal romantic partner? Follow the simple, common-sense steps outlined in Finding Keepers to reboot your love life and find the best person for you, for keeps. With just a paper and pencil, find out how to:

- Spot losers at the first meeting.
- Anticipate what your perfect partner wants before you even meet.
- Fi
